Commodore's Corner

Hi Ya'll;

We had a wonderful raft up at Queenstown and then docked at Inner Harbor East in Baltimore this weekend; along with excellent wind Saturday and Sunday it was perfect. I'll yak more on that in my next Commodore's Corner email.

Friday night races begin this week, promptly at 7pm at the J buoy on the Magothy. I'll be there onboard *Patience Two*, monitoring channels 16 and 68. Clear the cobwebs from your shrouds and come out to test your sailing skills rounding the buoys.

Anyone wanting to watch the race from my boat is absolutely welcome; my boat will depart the pier promptly at 6pm; call me at least 30 minutes prior to that and you are in. Parking is limited, so I'd prefer if we car pool. I'm limited by PFD count to 8 adults and 1 child. I also go out observe the Wednesday nighters occasionally, call for info and availability.

The Race Committee folks need volunteers to sign up for RC Duties; last I heard only the first two weeks are signed up for. Needless to say, no committee boat, no race!

Send email to :

John Bisson (JBisson@BrownAdvisory.com);
Mike Law (mike.law@motorola.com);
Craig Harbauer Flowcreated@gmail.com ; or
Wolfgang Harbauer (wharbauer1@gmail.com)

to volunteer.

I will go out with you on your boat or take you on mine if you need/want training or a refresher in order to be committee boat.

Chuck Ritenour
